EMU MEDIA POLICIES AND SERVICES
The EMU Athletic Media Relations Office offers a weekly release containing team and individual notes, statistics, reviews of past games and a look ahead to upcoming events. Additional information will include Mid-American Conference rankings, statistics and league notes.

CREDENTIALS AND PARKING
All media wishing to attend away games should contact the host institution regarding media policies. Parking for Scicluna Field can be found west of the field and will be limited to a first-come, first-serve basis. Media personnel will be responsible for their own parking arrangements.

INTERNET ACCESS
There is currently no internet access or a phone line at the field. Media should make arrangements to secure a wireless broadband card through any cellular provider if they need internet access at the field.

INTERVIEWS
Head Coach Scott Hall and his staff are available for interviews on an appointment-only basis after games and practices. Personal interviews with the coach and players should be scheduled with the EMU Athletic Media Relations Office.

Individual players are available for interviews Monday-Thursday. Their availability will depend on practice and class schedules. Please give at least 24-hour advance notice so the players can be contacted and arrangements can be made. Home phone numbers for players and coaches will not be given out by the EMU Athletic Media Relations Office.

The coaching staff and players will be available for post-game interviews following a short cooling-off period.

WORLD WIDE WEB
The media can access all the latest EMU soccer news on the athletic department's website, located at emueagles.com. The EMU Athletic Media Relations Office produces this website with the most up-to-date and extensive coverage of the Eagles.

Coaching Staff

The 2019 season marks Head Coach Scott Hall's 21st year leading the Eastern Michigan University women's soccer team. Hall has been with the program since it came into existence in 1995, serving as assistant coach for four seasons before taking over as head coach in 1999, and is the longest tenured coach in the Mid-American Conference.

Hall, a former member of the EMU men's soccer team from 1990-94, has a career record of 190-164-57 and a 118-83-26 mark in Mid-American Conference play. Under Hall, EMU squads have enjoyed nine seasons of 10-or-more victories, including a pair of 15-or-more win campaigns (1999, 2001). Hall's teams have qualified for the MAC Tournament 14 times and captured one tournament title, three regular season titles, and nine top-five finishes.

Throughout his tenure with the Eagles, Hall has coached four MAC Players of the Year, 45 all-conference selections, 49 Academic All-MAC picks and nine All-Great Lakes region performers.

This past season, Hall's squad posted its most wins (10) since the 2014 season, including a non-conference win over UConn. Following the season Sabrina McNeill and Kristin Nason garnered a slew of honors. McNeill was named First Team All-MAC before reeling in all-region honors, while Nason was tabbed Second Team All-MAC. Nason was also rewarded for her work in the classroom, being selected Google Cloud Academic All-District, as well as a CoSIDA Academic All-American.

In 2017, Hall guided Peyton Davis to Second Team All-MAC honors, while Madeline Olson garnered a spot on the All-MAC Freshmen Team. EMU finished the year with a 7-12-1 overall record, including a 4-7 mark in MAC play.

Hall's squad returned to the MAC Tournament in 2016 after an improbable run midway through league play that pushed them into the playoffs. Three Eagles reeled in postseason honors as Ellie Tillar landed on the All-MAC First Team, Kaylin Williams garnered Second Team All-MAC honors, and Sabrina McNeill was recognized as the conference's freshman of the year. Additionally, McNeill earned a spot on the MAC's All-Freshmen Team.

In 2015, Hall coached Kristin Nason to MAC All-Freshmen Team honors while the Eagles closed out the year with a 5-11-3 overall record. Falling short of the MAC Tournament for the first time since 2011, the Green and White held a 2-7-2 ledger in league play.

Hall led the team to a 12-7-2 record, including 8-2-1 in MAC play, to capture the Mid-American Conference regular season title during the 2013 campaign, the program's first since 2003. For his strong leadership, Hall was named MAC Coach of the Year by his peers in the conference. Along with standing atop of the conference at the conclusion of the regular season, EMU led the MAC in several categories: points (137), goals (45), goals per game (2.14), assists (47), and assists per game (2.24). The offensively-charged Eagles produced the 33rd-best scoring offense in the nation, ranking 23rd nationally in points and 13th in assists. The 45 goals were the third-most scored in a single season in program history. Eastern was in every contest throughout the season as all seven losses were only by one goal. Individually, forward Angela Vultaggio was named MAC Offensive Player of the Year, while junior Emily Dzik shared MAC Defensive Player of the Year honors.

The 2012 team rebounded from missing the postseason in 2011 to capturing third place overall in the Mid-American Conference and second in the West Division with an overall record of 11-6-2 and an 8-3-0 MAC mark. The Eagles posted their first 11-win season since 2009 and first eight-win performance in conference action since 2003 while achieving the largest single-season turnaround in program history.

After missing the tournament in 2006, Hall's team bounced back with a 5-4-2 MAC record in 2007, earning the No. 5 seed for the postseason tournament. EMU lost a heartbreaking 2-1 overtime game to Bowling Green, ending the 2007 season with a 7-8-4 mark for the Green and White. The 2008 season was a return to the upper echelon

1999, 2003, and 2013 Mid-American Conference Champions • 1999 Mid-American Conference Tournament Champions
2013 and 2014 Mid-American Conference West Division Champions

of the Mid-American Conference for Hall and the Eagles. EMU made it to the championship match in 2008 before losing a tough 1-0 game to the University of Toledo. In 2009, the Green and White cracked the semifinals and were led by MAC Player of the Year Ashley Rodrigues. In 2010, the Eagles finished with a 9-7-5 overall record with a 6-2-3 mark in MAC play. Hall's squad earned the No. 4 seed headed into the MAC Tournament but fell in a nail-biter to Western Michigan on penalty kicks in the opening round.

The 2003 campaign also proved to be a historic run for the Green and White. EMU opened up MAC play going unbeaten in the first nine games with a 7-0-2 mark en route to the MAC regular-season title and earning the No. 1 seed for the tournament with an 8-2-2 record. The Eagles hit double digit wins again during the 2004 campaign, going 10-7-3 with a 6-4-2 MAC record.

Hall took over the women's soccer program following the tragic death of the program's first head coach, Paul Scicluna, in the fall of 1998. He had served as assistant coach since the inaugural season in 1995. During his time as assistant coach, the Eagles qualified for the MAC Tournament in 1997 and 1998. Hall also worked with his mentor at Total Soccer, Inc. as a counselor and instructor.

During his first season as head coach in 1999, Hall led the Eagles to their first-ever Mid-American Conference title and NCAA tournament berth. During that memorable 1999 season, Eastern Michigan was ranked sixth nationally in team defense, with a 0.55 goals against average. The Eagles also finished the year with 13 shutouts, good for seventh in the nation. Goalkeeper Sarah Willis was named MAC Player of the Year following the season, along with five other Eagles garnering all conference honors. Hall was selected MAC Coach of the Year for his efforts, the first time an EMU soccer coach earned the award. Hall was named MAC Coach of the Year again following the 2001 season after going 10-4-1 in conference play.

A four-year varsity letterwinner at Grand Ledge High School (1985-89), Hall earned All-Capital Area Conference and All-League honors. He continued his career as a member of the Eastern Michigan University men's soccer program from 1990-94, earning four varsity letters.

An Eastern Michigan graduate, Hall earned his bachelor's degree in elementary education in 1994. Hall and his wife, Sue, have a son Jack, and a daughter, Maya. They reside in South Lyon, Mich.

Head Coaching Record **190-164-57 (120-83-26 MAC)**

The 2019 season marks the 11th season for Joe Malachino as full-time assistant coach on Scott Hall's staff. He was a volunteer assistant from 2005-07 before being named a full-time assistant following the 2007 season.

This past season, Hall's squad posted its most wins (10) since the 2014 season, including a non-conference win over UConn. Following the season Sabrina McNeill and Kristin Nason garnered a slew of honors. McNeill was named First Team All-MAC before reeling in all-region honors, while Nason was tabbed Second Team All-MAC. Nason was also rewarded for her work in the classroom, being selected Google Cloud Academic All-District, as well as a CoSIDA Academic All-American.

In 2017, Malachino helped Peyton Davis to Second Team All-MAC honors, while Madeline Olson garnered a spot on the All-MAC Freshmen Team. EMU finished the year with a 7-12-1 overall record, including a 4-7 mark in MAC play.

In his first year as a full-time assistant, Malachino helped the Eagles to their best finish since the 2004 season. The Eagles hit double-digit wins for the highest win total since the 2001 team won 15 games. The Eagles had four players earn All-MAC honors while leading the conference in goals while ranking third in goals allowed.

Along with serving as the Eagles' assistant coach, Malachino is also on staff for the U.S. Soccer Training Center in Michigan, helping identify and train the state's top soccer players for the U.S. Soccer Youth National Team program. Sticking with teaching the rising stars of the game, Malachino has taken the reigns of the 2001 (age 13) Michigan Olympic Development Program State Girls' Team as the program's head coach.

Malachino brings 21 years of coaching experience to EMU ranging from U-6, semi-professional and the college ranks. In the past, Malachino has been the Director of Coaching for the Novi Jaguars and a member of the Region II Olympic Development Program (ODP) staff. He is a United States Soccer Federation (USSF) A licensed coach, the highest level of coaching license for US soccer. He also played professionally for seven years with the Detroit Rockers in the National Professional Soccer League.

Malachino earned a Bachelor of Science degree in physical education from Texas Christian University in 1993. He also has a Michigan Teaching certificate and is currently working towards a Masters of Arts degree in teaching from Wayne State University.

Malachino and his wife, Miriam, reside in Howell, Mich. They have a son, Kiernan and two daughters, Kaia, and Kate.

AS ROMA TRAINS AT EMU'S SCICLUNA FIELD

Before kicking off its tour of the United States, Italy's AS Roma, a Serie A soccer club trained at Eastern Michigan University's Scicluna Field over a three-day span, July 16-19, 2017, in preparation of a midweek match against Paris Saint-Germain at Comerica Park. AS Roma's visit to Scicluna Field marked the second time in the a three-year span in which the Eagles' pitch has been a training site for a professional team, having previously hosted Real Madrid in the summer of 2014.

A collective effort from the EMU women's soccer coaching staff and players, as well as EMU's facility, equipment, and media relations staff, allowed Eastern to host a total of six public training sessions on the Eagles' home pitch.

"It was fascinating being able to witness the best of the best training here on our own field," **Mikayla Cupp** said. "Having them train on our field just a month before we start our season was a great experience and something that inspired the whole team. Being in the presence of such high level players and seeing their finesse and charisma on the ball definitely gives us even more motivation and determination to push ourselves to the next level."

In addition to the excitement of the EMU soccer players, the coaching staff was thrilled about the opportunity as well. It was a chance for the Eagles' staff to learn from professional players and coaches as well.

"I'm speechless to be honest, seeing these guys on our pitch. For the team to be out here and see them play at this pace and their intensity, this is what soccer dreams are made of," noted EMU Head Soccer Coach **Scott Hall**.

EMU'S SCICLUNA FIELD HOSTS REAL MADRID

It was a memorable day at Eastern Michigan University, July 31, 2014, as one of the most prestigious soccer programs in the world, Real Madrid, invaded Ypsilanti to train at EMU's Scicluna Field. Cristiano Ronaldo and the rest of Real Madrid practiced on Eastern's home pitch Thursday afternoon in preparation for the team's International Champions Cup match against Manchester United, Aug. 2, at Michigan Stadium in Ann Arbor.

It was a total team effort between the Spanish soccer club and the EMU Department of Athletics to host the private training session. "To have one of the most world renowned soccer clubs come to Eastern Michigan is a true honor," remarked then-EMU Vice President and Director of Athletics **Heather Lyke**. "We were really pleased with the opportunity to host them here. The recognition of our facilities, our staff and our women's soccer student-athletes to see this type of team train here was really the opportunity of a lifetime. This is something we all will remember, especially our student-athletes."

The EMU soccer team also assisted in staffing the practice, an opportunity that the current Eagles will remember for the rest of their lives. "We were all surprised and excited," said junior goalkeeper **Megan McCabe**. "I'm from outside of Chicago, I made the trip up last night and I'm leaving tonight. It's a great opportunity for our school and our team."

"When I first read the e-mail, my reaction was I need to cancel all of my plans," remarked **Megan Trapp**. "It seemed to me that this was a once in a lifetime opportunity. I've never seen an international game and to seeing these players work hard and watching their intensity, their focus, their energy is something that will motivate us after winning a Mid-American Conference Championship."

In addition to the excitement of the EMU soccer players, the coaching staff was thrilled about the opportunity as well. It was a chance for the Eagles' staff to learn from professional players and coaches as well.

"I'm speechless to be honest, seeing these guys on our pitch. For the team to be out here and see them play at this pace and their intensity, this is what soccer dreams are made of," noted EMU Head Soccer Coach **Scott Hall**. "Once you get past the starstruck of seeing Cristiano Ronaldo, Gareth Bale and all of these guys out here, you just realize that this is an amazing experience."

Coach Hall also believes that this will benefit the Eagles as the team begins to train themselves for the upcoming season. "I think this brings us together as a group," continued Hall. "With us striving to be at the top of our game and then seeing these guys (Real Madrid) come in with their professionalism and approach to the game, it really helps our team's mentality heading into the season."

Eastern Michigan University

Where We're Located

Eastern Michigan University is located in historic Ypsilanti, about 10 miles east of Ann Arbor, 40 miles west of Detroit and just 20 minutes from Detroit Metropolitan Airport. It is an area rich in academic, research, technological and recreational resources. The University also has sites in Livonia, Jackson, Traverse City, Flint, Detroit and Monroe.

EMU's 800 plus-acre campus of scenic flora and wooded areas includes 18 miles of walkways and jogging trails and has 122 buildings throughout the academic and athletic campuses. Eagle Crest – Eastern Michigan's conference center, golf course, and resort – is located on the banks of nearby Ford Lake.

Ypsilanti plays a leading role in industry and education. The city and the University have forged close ties that have lasted more than 160 years.

What Makes Us Unique

In 1849, the Senate and House of Representatives of the State of Michigan formally paved the way for the establishment of Michigan State Normal School, with the exclusive purposes of instructing persons in the art of teaching; providing a good common school education; and giving instruction in the mechanic arts, husbandry, agricultural chemistry and the laws of the United States.

Since its inception, Eastern Michigan, first as a Normal School, then as a College and finally as a University, has grown and developed to respond to the ever-changing needs of society. Over the years, EMU has educated thousands of sons and daughters of Michigan, the nation, and the world.

The university currently serves 22,000 students who are pursuing undergraduate, graduate, specialist, doctoral and certificate degrees in the arts, sciences and professions. In all, more than 200 majors, minors and concentrations are delivered through the University's Colleges of Arts and Sciences; Business; Education; Health and Human Services; Technology, and its graduate school.

Eastern Michigan's exceptional faculty, students and alumni include CEOs from major businesses, a National Student Teacher of the Year, National Teacher of the Year, numerous Fulbright Scholars and Milken Family Foundation National Educators award winners, and several Michigan Teachers of the Year.

EMU is regularly recognized by national publications for its excellence, diversity, and commitment to applied education.

Our Students

With nearly 22,000 students, EMU provides a rich learning environment for the campus community. The University currently has approximately 18,000 undergraduates and 4,000 graduate students. Our students represent 49 states and 93 foreign countries.

Of undergraduate students, 72 percent are full-time and 59 percent are women. The most popular majors are education, business, social sciences and history, science and engineering, English, and the health professions. EMU's undergraduate population is approximately 66 percent white; 18 percent black; 3 percent international; 3 percent Asian-American; 4 percent Hispanic, 0.2 percent Native-American, and 6 percent not answered (i.e. elected not to respond to this inquiry).

Eastern Michigan offers a number of special academic programs to help students succeed. These include the Honors College; the Holman Success Center; distance learning; accelerated format programs; online, weekend and evening programs and courses; American Humanics certification; Study Abroad Tours; a specialized master's degree program for corporations offered onsite; a double master's degree; online technologies for education and training.

With more than 200 academic and social organizations, an extensive intramural sports program, 21 NCAA Division I-A sports and numerous cultural activities from which to choose, EMU students have diverse opportunities to become involved in campus life. Students' on-campus housing choices range from traditional dormitory-style rooms to apartments and include living/learning center options.

Faculty/Staff

Eastern Michigan University employs nearly 700 full-time faculty and 1,000 staff members. Ninety-four percent of EMU professors have doctoral degrees or terminal degrees in their field. The student to faculty ratio is 17:1.

Faculty work closely with students, and many involve students in their research. Recently, the University celebrated its 30th annual Undergraduate Symposium; a benchmark program for undergraduate research.

Community Outreach

Eastern Michigan is making an impact nationally by channeling its academic research as a means of solving real world problems. EMU currently has 14 research institutes and centers that focus on community building and civic engagement, quality, community and regional development, small business development, geospatial education, textiles, export assistance and product development.

EMU is well-known for merging theory and practice for the benefit of the community. Applied research leads to new knowledge, new jobs and new business. Annually, the university receives about $15 million in revenues for sponsored research and community service activities.

The Alumni Association

Representing more than 160,000 alumni and friends, the Alumni Association sponsors social and service-related programs for more than 20 geographically-based and special-interest alumni chapters.

EMU's Economic Impact

Since its founding in 1849, Eastern Michigan has provided quality services to the residents of Ypsilanti, Washtenaw County, the State of Michigan and other states and nations.

EMU's total impact on the Michigan economy of an estimated $3.7 billion annually reflects a return of more than $42 for each dollar received from the state. The University's total impact on the Michigan economy results in a contribution of $166 million in state tax revenue. Thus, EMU's impact on state government tax revenue is $1.87 in taxes for each dollar received from the state.

Mission Statement

Eastern Michigan University is committed to excellence in teaching through traditional and innovative approaches, the extension of knowledge through basic and applied research, and creative and artistic expression.

Building on a proud tradition of national leadership in the preparation of teachers, we maximize educational opportunities and personal and professional growth for students from diverse backgrounds through an array of baccalaureate, master's and doctoral programs.

We strive to provide a student-focused learning environment that enhances the lives of students and positively impacts the community. We extend our commitment beyond the campus boundaries to the wider community through service initiatives, and public and private partnerships of mutual interest addressing local, regional, national and international opportunities and challenges.

Our History

Founded in 1849, when the state of Michigan was just 12 years old, Michigan State Normal School was designated by the state legislature as the first institution to educate teachers to serve the public schools. The University thus began, somewhat humbly, as the sixth teacher education institution in the nation. A campus that today comprises more than 800 acres was once a four-acre plot with one building and two programs of study – a classical course and an English Course.

The school's name changed several times – to Michigan State Normal College in 1899; to Eastern Michigan College in 1956; and finally to Eastern Michigan University in 1959. During its first 100 years, the institution certified thousands of teachers and developed the broad-based curricula that ultimately prepared it for university status.

Within that new university, three colleges emerged: Education, Arts and Sciences and the Graduate School. The University has since expanded three more times, adding the College of Business in 1964, the College of Health and Human Services in 1975, and the College of Technology in 1980. More recently ,Eastern Michigan has developed Extended Programs and numerous community-focused institutes.

The university has enhanced its learning environment through structural initiatives during the past several years. Recent construction includes the Terrestrial and Aquatic Research Facility (1998), the Convocation Center (1998), the Bruce T. Halle Library (1998), the John W. Porter College of Education Building (1999), the Everett L. Marshall College of Health and Human Services Building (2000), the Village residence hall (2001), University House (2003), new Student Center (2006), and the new Science Complex (2010).

The City of Ypsilanti

Ypsilanti is a city in Washtenaw County with a population of 22,362. Originally a trading post established in 1809 by Gabriel Godfroy, a French-Canadian fur trader from Montreal, a permanent settlement was established on the east side of the Huron River in 1823 by Major Thomas Woodruff. It was incorporated into the Territory of Michigan as the village Woodruff's Grove. A separate community a short distance away on the west side of the river was established in 1825 under the name "Ypsilanti", after Demetrius Ypsilanti, a hero in the Greek War of Independence. Woodruff's Grove changed its name to Ypsilanti in 1829, and the two communities eventually merged.

Henry Ford and the automotive industry came to Ypsilanti in the 1930s and beautiful Ford Lake was created to generate hydroelectric power for the manufacturing plants. During World War II, Ypsilanti became home to the Willow Run Bomber Plant, a factory that would employ 100,000 workers.

Facilities

Our 803-acre campus of scenic flora and wooded areas includes 18 miles of walkways and jogging trails, and has 128 buildings, the Lake House and Rynearson Stadium located on the south side of Huron River. Eagle Crest – our conference center, golf course and resort – is located on the banks of nearby Ford Lake. Most recent additions include the Terrestrial and Aquatic Research Facility (1998); the Convocation Center (1998); the Bruce T. Halle Library (1998); the John W. Porter Building, housing the College of Education (1999); the environmentally sustainable Everett L. Marshall Building, housing the College of Health and Human Services (2000); the renovation of Boone Hall (2000), housing our Extended Programs offices; and The Village (2001), a spacious, apartment-style residence facility. There are currently 11 residence halls and three apartment complexes with 583 units housing more than 4,000 students. The EMU Student Center also opened in November of 2006.

The Bruce T. Halle Library

The $41-million Bruce T. Halle Library represents the latest technological trends in libraries, integrating traditional print with emerging electronic sources. The 218,000-square-foot facility has 520 computer workstations, 300,000 volumes of open-shelf books, 800,000 volumes in an automated retrieval collection, 3,000 network connection ports, a 100-seat auditorium with seats wired for laptop computers, a 70-seat teleconferencing room, a 130-station computing commons with six learning labs (electronic classrooms), a distance learning lab, a television studio, the Paradox Cafe, individual and group study areas, and self-direction stations.

The EMU Student Center

Since Nov. 6, 2006, EMU Student Center has become the vibrant hub of activity on EMU's main campus in Ypsilanti, MI. In fact, in April 2007, it was voted the "Best Place to Hang Between Classes" by Eastern Echo readers. From the wide range of eatery choices to the fireplace lounges, there's so much more in between: EMU Bookstore, Chase Bank, wireless Internet access, a 24/7 computer lab, two art galleries, meeting/conference/banquet rooms, a dining room stage, and an auditorium for movies, live performances and guest lectures. Additionally, students will find many EMU student services, programs and organization offices all under one roof. When you view it altogether, EMU Student Center lives up to its slogan: Centered on You!

The Board of Regents is the governing body of Eastern Michigan University. Its current format was created when the State of Michigan ratified a new constitution Jan. 6, 1964. The Board comprises eight regents who are appointed to eight-year terms by the governor.

"Other institutions of higher education established by law having authority to grant baccalaureate degrees shall each be governed by a board of control which shall be a body corporate. The board shall have general supervision of the institution and the control and direction of all expenditures from the institution's funds. It shall, as often as necessary, elect a president of the institution under its supervision. He shall be the principal executive officer of the institution and be ex-officio a member of the board without the right to vote. The board may elect one of its members or may designate the president to preside at board meetings. Each board of control shall consist of eight members who shall hold office for terms of eight years, not more than two of which shall expire in the same year, and who shall be appointed by the governor by and with the advice and consent of the Senate. Vacancies shall be filled in like manner."

Mike Morris
Chair

Richard Baird

Richard L. Baird was appointed by Governor Rick Snyder in November 2018 to replace Mike Morris, whose term expired December 31, 2018. Baird's term expires December 31, 2026. He was appointed Senior Advisor and Transformation Leader to Michigan Governor Rick Snyder in October of 2013 and served in that role until December 31, 2018. Prior to that, he was the CEO of MI Partners, LLC, a Michigan-based consulting company contracted by the Snyder administration in January, 2011. Baird worked with the Governor and his leadership team to reinvent and transform Michigan. Baird has played key roles to address risk, financial solvency, organizational redesign and performance, talent assessment, financially distressed city turnaround strategies, public safety and infrastructure, economic/workforce development and education reform. Baird served as co-leader (with U.S. District Court Judge Sean Cox) of the mediation team which led to the creation of the Great Lakes Water Authority and assisted U.S. District Chief Judge Judge Gerald Rosen in the successful resolution of creditor disputes under the Detroit bankruptcy. He created the Office of Good Government and the Office for Performance Transformation for the State of Michigan, designed the Governor's Council on Law Enforcement and Reinvention (CLEAR), and was actively involved in pension redesign, enhancing opportunities for the disabled, ex-offender rehabilitation, and tax payer reform. More recently (January, 2016), Baird served as the Team Leader for "Mission Flint" which coordinates the State's partnership with the City of Flint and the related nearly $300 million appropriation to address problems arising from the water crisis and assist with economic/workforce development, medical and education initiatives. Baird serves as Treasurer of the Michigan Education Excellence Foundation and is a former member of the board for the Grow Michigan Investment Fund. He joined the board for the American Center for Mobility and the Governor's Planet M Advisory Council in May, 2017. He is also a founding member of the Michigan Enterprise Risk Management Council for the MI Budget office.

James M. Smith, Ph.D.
President

Dr. James M. Smith is the 23rd president of Eastern Michigan University. He began his duties July 1, 2016.

Before coming to EMU, Smith served as president of Northern State University (NSU) in Aberdeen, South Dakota since June 2009. For the past seven years (2008-2015), NSU has been named by US News and World Report as one of the best undergraduate public institutions in the Midwest.

He has been an active fundraiser and was instrumental in helping NSU obtain the largest donation in its history, a $15 million gift.

Another NSU success was collaborating with the University of Jinan, in Jinan, China, to develop the first and only Confucius Institute in the Dakotas. The Confucius Institute has a specific three-part focus dedicated to the teaching of Chinese language, culture, and business practices. In addition to the traditional start-up funding provided, he was able to gain local and regional support of nearly $500,000 to launch the initiative.

Smith, 60, who grew up near Columbus, Ohio, in Washington Court House, knew early on he wanted to be a teacher. He always had admired teachers and enjoyed school. He became an elementary and middle school teacher after earning his Bachelor of Science degree in Elementary Education, from Miami University in Oxford, Ohio, in 1979. He would go on to earn a Master of Education, Educational Administration, from Xavier University in Cincinnati and a Doctor of Philosophy, Educational Leadership, from Miami University.

Over the next 28 years, he served as an elementary school principal, a teaching fellow and assistant professor at Miami, director of the Experiential Program for Preparing School Principals at Butler University in Indianapolis, and director of the Educational Leadership Program and coordinator of doctoral studies at West Texas A&M University. Smith was also vice president for Economic Development at Bowling Green State University in Bowling Green, Ohio, before heading to NSU.

Smith's wife, Dr. Connie Ruhl-Smith, has an impressive resume of her own. She has been a teacher, author and administrator, and has done extensive work in student retention and student academic support, introduction of international partnerships, and much more.

Scott Wetherbee
EMU Vice President/Director of Athletics

Scott Wetherbee was named Eastern Michigan University Vice President and Director of Athletics on June 26, 2017, by EMU President **James M. Smith**.

The mark of an exceptional athletics program is the progress that is made each year. And under the leadership of Vice President and Director of Athletics Scott Wetherbee, the Eastern Michigan University department of athletics turned in one of its most successful campaigns in his first two years at the helm.

The 2018-19 campaign was another record-setting season in both athletics and academics for Eastern. The Eagles finished near the top in the battle for the Mid-American Conference all-sports championships. It marked the eighth time in the past 12 years that Eastern Michigan placed inside the top-five spots in both standings.

Eastern Michigan won its fourth consecutive women's cross country title while the volleyball team won its first MAC Tournament Championship after finishing tied for second in the West Division. Women's swimming & diving finished as the runner-up at the championships for fifth consecutive season, while women's indoor track & field added a second-place finish.

On the men's side, the men's golf team notched its third MAC title and first since 2008 as it shared the team championship with Kent State University. Both men's indoor track & field and outdoor track & field also finished as the runner-up at their respective championships. Football finished tied for second in the West Division good for its best finish since the league switched to the divisional format in 1997.

Coupled with three Mid-American Conference team titles and 15 individual MAC championships, the 2018-19 campaign was one of the most successful seasons in Eastern Michigan history. In the classroom, EMU student-athletes posted a cumulative 3.270 grade point average (GPA) during the winter semester, the highest mark on record. It was the 19th term in a row EMU student-athletes have earned over a 3.0 GPA.

During Wetherbee's first year at EMU in 2017-18, the department took home two of the Mid-American Conference's top three institutional awards – the Cartwright Award and the Reese Trophy. The Cartwright Award is given for program excellence in academics, athletics and citizenship, while the Reese Trophy is for the top men's athletic program in the league.

The Eagles captured a combined five team championships and 38 individual league titles. For their efforts, 84 EMU student-athletes earned All-MAC honors in 2017-18.

In the classroom, EMU student-athletes posted a 3.259 cumulative grade point average (GPA) during the winter semester, the second-highest mark on record. It was the 17th consecutive term for EMU student-athletes above a 3.0 GPA.

Wetherbee also helped secure approval for Phase I of the Championship Building Plan for a new sports medicine and training facility. Heavily supported by fundraising efforts, the 60,000 square foot structure will house the sports medicine, performance and equipment operations areas. Additionally, the facility will house locker rooms, coaches' offices, and meeting spaces for the football team, while also including a new video board inside Rynearson Stadium.

The 44-year-old Wetherbee was named to the position at EMU on June 26, 2017. A native of Kalamazoo, Mich., has more than 20 years of collegiate athletic administrative experience with a track record of enhancing every department he has served.

A veteran in the world of athletic administration, he is Eastern Michigan's 14th athletic director after spending the past four years at Mississippi State University, including serving as the department's interim director of athletics from October-November 2016.

He has spent 19 years on the senior or executive staffs at five athletic departments, including EMU, MSU, East Carolina University, San Diego State University, and Fresno State University.

Named one of College AD's 2017 NEXT UP honorees, Wetherbee was picked as one of 13 senior level administrators who were believed to be ready to take the next step by some of the most respected athletic directors in the industry.

MSU's senior associate athletic director of external affairs from 2013 until May 2017, Wetherbee developed MSU's external unit into one of the most elite and recognized in all of college athletics. Recently promoted in June 2017 to Deputy Director of Athletics, he has built a department with the hiring of more than 20 new employees to cultivate a culture of innovation and brand consistency.

In 2015 and 2016, MSU's marketing department became the first back-to-back winner of the National Association of Collegiate Marketing Administrators (NACMA) Marketing Team of the Year. Meanwhile, MSU's Athletic Media Relations department was the recipient of the 2015 Football Writers Association of America's Super 11 Award.

Wetherbee arrived in Starkville, Miss. after spending 10 years as an assistant athletic director at East Carolina where he directed the department's marketing and ticket operations. He was part of an administrative team that led a $60 million expansion and development project of ECU Athletic facilities since 2008. In 2011, his marketing ticket vision produced ECU football records in per game attendance (50,012), total attendance (300,069), and season ticket sales (24,188). He assisted the Pirate Club in increasing unrestricted annual giving by over 56 percent and membership growth by 78 percent.

Wetherbee was no stranger to developing brand strategies before his arrival at MSU. He served on multiple committees of East Carolina's strategic planning process, and he was charged with creating a branding initiative to facilitate a consistent message through the department. He worked extensively with IMG Sports to expedite contracts and sponsorship agreements, and he developed a technology team to coordinate social media initiatives.

From 2002-03, Wetherbee served as the assistant athletic director for ticket operations at San Diego State University. He directed ticket sales, oversaw the ticket office's budget, and served on the department's senior staff. One of his many accomplishments at SDSU was the designing and implementation of the men's basketball's reseating process, which allocated seats based on existing donor levels and the priority points system.

Prior to his stint at San Diego State, Wetherbee spent three years at Fresno State, serving as assistant athletic ticket manager from 1999-2000 before being promoted to athletic ticket manager in 2000. He directed all ticket sales and operations for over 100 athletic and special events annually and maintained the department's budget. In addition to supervising the staff, Wetherbee created, designed, and maintained Fresno State's first online ticket office – GoBulldogs.com.

Wetherbee got his start in athletics as a ticket office intern at Mid-American Conference rival Western Michigan University before spending two years as a graduate assistant in the Ball State University athletic ticket office.

Wetherbee earned a Bachelor's degree in sports administration from Ball State in May 1997. He started his collegiate career at Ferris State University as a student-athlete on the baseball team before the program was discontinued.

He and his wife, Tracy, have two children: Taylor and Spencer.

WHAT IS NCAA COMPLIANCE?

Eastern Michigan University is committed to operating its intercollegiate athletics program with the highest degree of integrity, sportsmanship, and professionalism, and we urge you to conduct yourself accordingly.

The Eastern Michigan University Office of Athletics Compliance is committed to a comprehensive compliance program that ensures institutional control over the department of athletics.

Our goal is to educate student-athletes, prospective student-athletes, institutional employees, community members, and boosters about the importance of adhering to NCAA, Mid-American Conference, and institutional rules.

A successful athletic department depends on the willingness of coaches, administrators, staff, student-athletes, and boosters to be aware of NCAA, MAC, and institutional rules.

All of us at Eastern Michigan University appreciate your support. Your commitment to rules compliance is necessary to ensure that the University, its student-athletes, and coaches remain in good standing. Our success is due to support from individuals who are cautious and knowledgeable of NCAA rules. Help us win with integrity!

QUESTIONS?

The information on this page contains only a small portion of the existing NCAA rules and regulations. If you have any questions about any NCAA, MAC, or institutional rules, please

FIVE RULES TO REMEMBER

1. FANS HAVE RESPONSIBILITIES

As an individual who is a season ticket holder, a member of an Eastern Michigan University booster organization (e.g., Eagles Pride, E-Gridiron Group), has made financial contributions to EMU, or been involved in promoting EMU's athletic program, you are considered a "Booster" and are required to adhere to an atmosphere of compliance. As a booster, your conduct reflects on the integrity of the entire university.

Once you support EMU Athletics, you retain that identity as a booster forever - the rules still apply! This is true even if the individual no longer contributes to, or is involved with, EMU's athletics program.

2. DON'T GIVE BENEFITS OR INDUCEMENTS

Student-athletes can only receive benefits that other students in the general population can receive. An extra benefit is any special arrangement by an EMU employee or booster to provide a current or prospective student-athlete (or the athlete's relatives or friends) a benefit not expressly authorized by the NCAA. Examples of impermissible benefits include, but are not limited to:

- Gifts of cash, clothing, equipment or any other tangible item;
- A special discount, payment arrangement or credit on any purchase or service;
- Loan of money or co-signing of loans;
- A vehicle, use of a vehicle, or any transportation expenses;
- Free or reduced-cost services, purchases or rentals;
- Entertainment on- or off -campus; or
- Free or reduced-cost rent or housing.

The best way to support EMU student-athletes is by donating to Eagles Pride!

3. LEAVE THE RECRUITING TO US!

You're passionate about your EMU Athletics programs and you want everyone to know it! But remember, only EMU coaches and athletic department staff members are permitted to be involved in the recruiting process. Boosters should be aware of the following:

- Do not contact a prospective student-athlete (or members of the prospect's family) by letter, telephone, e-mail, text, online (Facebook, Twitter), or in-person (on- or off-campus) for the purpose of soliciting their participation in EMU's athletic programs.
- Do not contact a prospect's coach, principal, or counselor in an attempt to evaluate the prospect;
- Do not become involved in making arrangements for a prospect (or the prospect's relatives or friends) to receive money or financial aid of any kind;
- Do not visit a prospect's school to acquire films or transcripts in an attempt to evaluate the prospect's academic or athletics eligibility;
- Do not have contact with a prospect (or the prospect's relatives or friends) during any of their visits to EMU's campus;
- Do not contact student-athletes enrolled in other four-year institutions regarding the possibility of transferring to EMU.

Even though there are many rules prohibiting your involvement with prospects and the recruiting process, as a booster you are permitted to do the following:

- Notify EMU coaching staff about noteworthy prospects in your area;
- Attend a prospect's athletics event on your own initiative, as long as you do not have contact with the prospect (or the prospect's parents or coach);
- Continue existing friendships, provided you do not solicit the prospect's enrollment.

Please note, a prospective student-athlete (prospect) is a student who has started classes for the 9th grade (7th grade for Basketball). Students enrolled in preparatory schools and two-year colleges are also considered prospects. An individual remains a prospect even after he/she signs a National Letter of Intent.

If you know of a talented athlete, please let the coaching staff know, and we'll do the rest!

4. KNOW THE CONSEQUENCES!

EMU is responsible for the actions of its boosters. If a booster recruits or provides impermissible benefits to a current or prospective student-athlete (or the athlete's relatives or friends), EMU may be subject to penalties from the NCAA and Mid-American Conference. When a violation occurs, regardless of the intention, it can:

- Jeopardize the eligibility of prospective and current student-athletes;
- Result in the EMU athletics program being penalized by the NCAA and/or the Mid-American Conference; and
- Cause you to lose benefits or privileges associated with the athletics department (i.e., booster membership, ticket privileges).

5. ASK BEFORE YOU ACT!

The NCAA Rules are not limited to the above, and they are often misunderstood. If you have any doubt or questions, please contact the Office of Athletic Compliance. We strongly encourage open communication between fans, supporters, and the EMU Athletic Department.

Remember, our success is due to support from individuals who are cautious and knowledgeable of NCAA rules. Help us win with integrity!

NOT ALWAYS THE EAGLES

Since the 1991 season, Eastern Michigan University athletic teams have gone by the nickname "Eagles." The Eagles name was officially adopted on May 22, 1991, when the EMU Board of Regents voted to replace the existing Huron nickname and logo with the new one.

EMU originally went by the nicknames "Normalites" and "Men from Ypsi" and various other titles down through the years before "Hurons" was adopted in 1929.

The "Hurons" first came into being as the result of a contest sponsored by the Men's Union in 1929. On Oct. 31 of that year, a three-person committee, composed of Dr. Clyde Ford, Dr. Elmer Lyman and Professor Bert Peet, selected the name "Hurons" from the many entries in the contest.

The name was submitted by two students, Gretchen Borst and George Hanner. Hanner was working at the Huron Hotel at the time of the contest and was no doubt as much influenced by his place of employment as by the Huron Indian tribe. The runner-up name in that contest was Pioneers.

EMU began investigating the appropriateness of its Huron Indian logo after the Michigan Department of Civil Rights issued a report in October 1988 suggesting that all schools using such logos drop them. The report indicated that the use of Native American names, logos and mascots for athletic teams promoted racial stereotypes. At that time, four colleges, 62 high schools and 33 junior high/middle schools in Michigan used Indian logos or names.

The EMU Board of Regents voted to replace the Huron name with Eagles, taken from three recommendations from a committee charged with supplying a new nickname. The other two final names submitted were Green Hornets and Express.

GREEN, WHITE AND YELLOW?

The EMU Eagles' colors are green and white, but the track and cross country teams both feature yellow on their uniforms. There is a reason these teams stand out, and the history behind it goes back to 1967. EMU Hall of Fame Head Coach **Bob Parks** offered some insight to the story behind how the yellow came about.

"When I got to EMU in January 1967, the team was wearing dark green singlets and dark green shorts. In that season, we ran a meet at Western Michigan University, and the finish line was beneath the balcony which was very dark. In the hurdle final, there were six men, three from Michigan State and three from EMU. MSU's uniforms were almost identical to ours. When the finish positions were announced, we got the short end of the stick. You could hardly see the runners under the dark balcony area, and they got the finish wrong. At that point, I decided to get uniforms that showed up better.

"Back then, Kansas was a big name in collegiate track, and they wore pink shorts and powder blue singlets with pink lettering. Everyone thought they were great. I decided to copy them and ordered orange shorts and green singlets with white lettering trimmed in orange. We wore them for about four years, but the Regents decided that all of our teams should be wearing green and white. When they made us get rid of the orange and green, I ordered green and gold, colors I had always liked. At first, they weren't going to let us use them, but I pointed out that our football team was wearing green and gold. Our administration could hardly argue with me, since our gridders were wearing it too."

"We have worn it ever since, and it is known from coast to coast, as our men have done traditionally well nationally. It also differentiates us from MSU and Ohio University's color schemes. The green and gold does show up well at the finish line, but nowadays they use computer cameras, so it is less of a problem as it was in the 60s and 70s."
